Welcome to the Maximum Adventure Race Series 2018
Event #1: Cams Wharf, Lake Macquarie, NSW

These instructions contain all the information you need for race day.
Make sure you read them carefully!

The quiet village of Cams Wharf is a picturesque location on the south eastern shores of Lake Macquarie, near the town of Swansea and about 45 mins from Newcastle. Cams Wharf and Nords Wharf feature quiet picnic spots, a boat ramp and tranquil views across the lake.

We would like to thank all the competitors for their continued support of the Adventure Race Series and we hope you have as much fun completing the course as we did organising it. Please take the time to read through all the details contained in this document.

1. Event Centre/Bike Drop Location

The event will be based from Wrightson Park, Cams Wharf NSW, this is where registration and the event Start/Finish are located.

3. Registration

When you report to the registration tent give your team name to the registration marshal so they can check you off the list.

You will be given a race pack containing: race bibs, general information, map, course description, timing stick and wrist band. Safety pins will be available to collect as well.

**Team Changes**

Partner transfers, name changes and category changes can be done while registering.

4. Electronic Timing

At registration you will be issued with a timing stick and wrist band. It will record your visit to each of the check points along the course and your finish time, giving you an overall time for the event.

- The timing stick can be worn around the wrist with the wrist band provided.
- The timing stick remains the property of Maximum Adventure and must be returned after the race.
- If you withdraw from the race at any time, please return timing stick to registration.
- If for some reason you cannot return your timing stick to us on race day (i.e. medical emergency), please mail to: Maximum Adventure, PO Box 3178, Telopea, NSW 2117.
Each team carries a small plastic timing stick on a lanyard. The stick contains a computer chip which records the control number and the time your team visits each checkpoint (electronic control).

**What happens at a checkpoint?**
When at a checkpoint you must insert the end of your timing stick into the hole on the top of the control. The control has a small red light that will flash and will emit an audible “beep” so that you know it has recorded your visit. Make sure at least one of these happens otherwise you will be recorded as missing that checkpoint.

**What happens if the control unit doesn’t work?**
Occasionally these units fail. If the light doesn’t flash and there is no sound, Please make note of the control number (three digit code) that is printed on a silver label on the back of the unit. This will prove you have been to that checkpoint. Multiple punches on the same control will be ignored.

**At the finish**
Please insert your timing stick into the finish control under the finish arch (This stops your time). Then hand in your timing stick to the event marshalls at the timing tent. They will then download your data from the timing stick into a computer to give information about which checkpoints were visited, time visited, split times between checkpoints and total time. The computer can then tell us if any checkpoints were missed and that the checkpoints were visited in the correct order.

**At the Finish:** When you cross the finish line, it is your responsibility to return the timing chip to the official at the finish line. **Make sure you have dipped your timing stick in the finish line checkpoint. You are responsible for the timing stick and will be requested to pay $70 to cover the cost of any lost or unreturned timing sticks.**

**5. Race Bibs**

Please wear your race bib provided by pinning it to your outer most layer using the safety pins available at registration. You will receive one bib for each team member.

During the kayaking leg your PFD may be worn over the top of your race bib.

**6. Maps**

You will be issued with one pre-marked map (A3 sheet) of the event area (1:25,000) per team.

You will need coloured pens (highlighters and biros) to mark up maps, scissors and enough contact (sticky back plastic) to waterproof the map or alternatively you can use a map case.
7. Insurance and Disclaimer

Maximum Adventure is covered by its own public liability insurance. This does not include personal accident insurance. It is strongly recommended to take out your own personal accident and ambulance cover for the event.

Disclaimer

By entering the event all participants have agreed to the Terms and Conditions of the event as detailed in the online registration waiver, also available here.

8. Format

There could be multiple legs of each discipline. Use the course description and map to plan your course. After the start of the race, you will only be returning to the race HQ once before the finish.

You will need to ensure you are self-sufficient for the duration of the race (i.e. carry enough food and water for the day). If you have SPD peddles, we recommend you wear/carry runners as there is a run leg half way through the bike leg. We recommend you dress in clothing that you are comfortable racing in all day for all disciplines (bike, run and kayak). Most people wear bike shorts and a sweat wicking top.

Bonus Checkpoints (Classic Course only)

For those teams that want to challenge themselves further, there will be optional bonus checkpoints scattered across the course. Each Bonus Checkpoint will have a time value associated with it. If you can collect it in less than that time, it is a bonus, if you take longer, it is a penalty. So choose wisely.

9. Kayaks

All equipment will be provided for this leg (including paddles & life jackets). You will use sit-on-top kayaks for all kayak legs, these boats are extremely stable.

You will need to carry your kayaks to and from the water’s edge at the Start and Finish of each kayak leg. Any team dragging their kayak will suffer a time penalty.

You are not allowed to use your own personal equipment, this includes paddles.

10. Mountain Bikes

Please leave your bikes, shoes, helmet, extra water and snacks at the bike drop area before the race start.

Everything left at the bike drop area must be taken with you on the bike leg, so no boxes/bags are to be left.
11. Rules and Equipment

For reasons of fairness, safety and responsibility you are expected to abide by the following rules. Remember, ignorance is no excuse and failure to comply may lead to penalties or disqualification. The kit list below is a minimum and should be supplemented in poor weather.

Safety
You are expected to look after yourself and your team mate. Use your whistle to attract attention only in an emergency. There will be several first aiders in attendance throughout the event, overseen by an overall appointed medic. There will be marshals out on the course with radios / phones.

Road Safety
Please note you will be riding on public roads open to other traffic. There will be no road closures for the event, so please ensure you obey all road rules.

12. Water and Toilets

Toilets and water are available near the Event Centre.

There is no water available on the course. It is your team’s responsibility to ensure you have enough water for the event. Legs could be long and teams are advised to carry at least two litres per person. More may be required if the weather is hot.

Don’t forget the sunscreen as well.

13. Food

There will be a coffee van available at the Event Centre. Bring some change with you so you can get a coffee fix before the event.

A local scout group will also be putting on a BBQ lunch at the Event Centre. This is not included in your entry fee. Items will include:

- Egg & Bacon Roll $3.50ea
- Sausage & Onion Sandwich $3.00ea
- Soft Drink/Water $2.00ea
- Cake & Slices $1.50ea

Sausages and bacon for this BBQ are kindly being donated by Blacksmiths Butchers, who are also donating a voucher for the race day raffle, with tickets available to purchase on the day (all monies raised going to 1st Belmont Scouts).

We encourage you to support our suppliers and their fundraising efforts by purchasing coffee, lunch and raffle tickets from them.

14. Spectators

Spectators are welcome at the start and finish area. You will be able to walk to a few of the transition areas however you will NOT be able to drive to the transition areas due to safety issues and parking availability.

If you would like the opportunity to be out on course to see the teams, we are still looking for some volunteers for the event. Volunteers will be stationed around the course and is a great way to get involved and assist with the running of the event. Refer to the section on ‘Volunteers’ below for more information and to register your interest.

15. Prizes

After results are processed there will be a short presentation at approximately 14:00hrs. Prizes will be given for 1st, 2nd and 3rd in each Classic course category (male, female and mixed). You must be at the prize giving to receive your prize.

No prizes will be given to Novice course podium positions. Instead prizes will be drawn randomly and presented to any novices at the presentation.
16. Volunteers

We still need a few more volunteers for this event. If your friends, family or partner are coming along to support you, why not ask them to volunteer. They get a free volunteer shirt, cap, snacks, **FREE Max Adventure Race Entry** and lots of thanks and appreciation.

The day could consist of helping with team registration, manning checkpoints and carrying out gear checks.

Please complete an online volunteer registration form [here](http://example.com) or drop us an [email](mailto:info@example.com) for further details.

17. Accommodation

If you would like to stay the night before, check out the local Rafferty’s Resort: [http://www.raffertysresort.com.au/](http://www.raffertysresort.com.au/)

18. Cancellation of the Event

If for some obscure reason we have to cancel the event (note that it will not be cancelled due to rain), we will let you know by email and make the announcement on the home page of the [website](http://example.com).

In this case, all efforts will be made to reschedule the event later in the year.

19. Race Results

Preliminary race results will be available at the finish line.

Full results will be up on the [website](http://example.com) in the week following the event.

20. Supporters

The Maximum Adventure Race Series would not be possible without the commitment of our supporters, volunteers and the local community.

Our thanks to the following organisations for making the event possible;

- NPWS (National Parks & Wildlife Service)
- CREST Radio Communications
- NSW Marine Rescue
- Catherine Hill Bay Surf Life Saving Club
- 1st Belmont Scouts Club
- Harmony Beans Coffee
